Metro Atlanta Al-Anon/Alateen Information Service

From the MAIS Office

The Office is now open without restrictions and several members have stopped in to purchase literature. Recently, we shipped three large orders, and donations continue to come in.

WSO is behind in processing orders and our customer service representative can't predict when they will be caught up.

Our great volunteer, Susan E., sanitized the office to keep things safe. We will continue to do this on a regular basis.

Some meetings are changing from virtual to face-to-face. As the information comes to us, we will forward these changes to Charles, our Webmaster, for updating on the MAIS website.

At our June MAIS Board Meeting, we voted to cancel the regularly scheduled July MAIS Meeting. We look forward to reconvening via Zoom on September 8 at 7:30 PM.

Thanks to everyone for their patience and support.

ANNUAL CONVENTION

AI-Anon Membership Survey Is Open Now!

2021 AI-Anon Membership Survey
Is Open!
 Available in English,
 Spanish, and French.

Take the survey:
al-anon.org/membersurvey

Participation in AI-Anon surveys by all members, regardless of length of membership in the program, level of involvement in service work, or any other factor, is of the utmost importance in helping to develop and evaluate programs that will strengthen and grow the AI-Anon Family Groups.

Involvement in AI-Anon surveys is also considered service work and is greatly valued as we seek to reach out to those who are dealing with the effects of someone else's alcoholism but haven't yet found help in AI-Anon. Survey results are used in communicating with professionals who are in a position to refer patients and clients to AI-Anon. Results of surveys are also used to improve communication with the membership.

From time to time, the WSO is also approached by outside researchers who are requesting assistance in their research on friends and families of alcoholics. The WSO Policy Committee approved a procedure for determining whether AI-Anon cooperation in researchers' projects will benefit AI-Anon. The policy ensures that our cooperation with researchers complies fully with AI-Anon's

Traditions Six (non-endorsement of outside enterprises), Eleven (public relations based on attraction rather than promotion), and Twelve (protection of anonymity). A copy of the Research Cooperation Policy can be found [here](#).

The Survey Is:

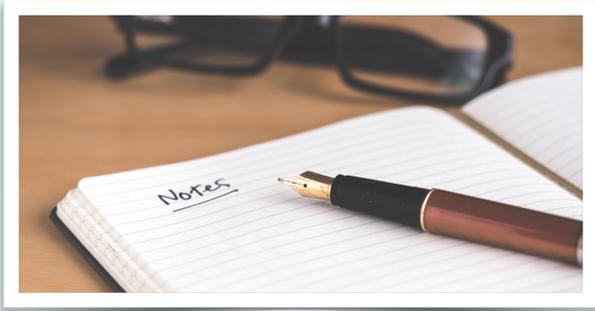

- Conducted every three years since 1985.
- Open from **June 16, 2021 to July 27, 2021**.
- Available to all AI-Anon members, ages 18+ years—regardless of time in the program.
- Available in English, Spanish, and French.
- Short enough to be taken in 15 minutes.
- Mobile-friendly.

The Survey Is Not:

- Collecting personal information.
- Breaking members' anonymity.

Visit al-anon.org/membersurvey to take the survey today!

MAIS Secretary's Report

My name is Ann F. and I am the new MAIS Secretary. My home group is Solutions Seekers at NABA on Thursday nights.

If you are an Alternate GR or a Literature Chair for your home group, please join us. We now hold our meetings via Zoom on the second Wednesday of odd months so it's easy to show up. We had a record turnout for our last MAIS ISR Meeting on May 12, 2022! Thanks everyone for joining us!

We won't be having a July ISR meeting. Meetings will resume in September!

Here's a re-cap from our May meeting:

- Treasurer's Report dated April 23, 2021 was shared with the group.
- Nancy noted that selling literature is a service, but not a money making venture. Prudent reserve is important to allow us to pay our lease (which goes until May, 2022). Treasurer's Report accepted.
- Minutes from April Board meeting were read and passed.
- No Board Chair Report
- MAIS Chair report- Nancy doing the job. Volunteer needed for this position.
- Alateen chair – Adrian not present. Look in Center Point as Alateens are needing donations. If teens are looking for meetings, they can email the AMIAS for more information. AMIAS training is ongoing.
- Archives chair- an open position

- CenterPoint editor – Shannon will send the CenterPoint out this evening. She shared the CenterPoint with the group. It looks awesome!!
- InReach Chair – Nancy rallying support for MAIS.
- Area Liaison – Tim reported. Virtual Assembly this weekend. Sept Assembly – 18th virtual, 19th face to face; GA Al-anon/Alateen Convention will be Aug 14-15 and will be virtual. AMIAS recertification going on now. New e-book version of How Al-anon Works on WSO website.
- MAIS Office and Literature Chair – Mamie reported: reopened MAIS Office on May 4. All going well. Some literature has been ordered.
- Website Chair – Charles reported that update requests have been completed. Has access to e-commerce section. He is researching how to add shipping to website. He will consult with Mamie and Keith. He will bring it to Board for discussion. Nancy indicated that some meetings are coming back to face to face. Nancy would like that information to be added to the website. Keep us posted!
- -Nancy asked that everyone check the website to see if their meeting information is correct. If not, there is a form to complete to update that information.
- Public Outreach Chair – this position is vacant. Get in touch with Nancy if interested. Suzanne might be interested.
- MAIS Anniversary Party Chair- This position is vacant. Talk to your groups to see if they'd like to help.
- Old Business:
 - MAIS Thought Group. We are drafting a survey for each district. We are working on job descriptions and looking at the MAIS Mission to make sure we are on point and current.
 - Picnic discussed again. Either face to face or hybrid. Thinking about Glen Lake Park. April will take it back to her group.

“Alcoholism, the Family Disease” (P-4)—Happy 60th Anniversary!

Here are some interesting facts about one of the first Al-Anon pamphlets published as Conference Approved Literature (CAL) in 1961 . . .

- The pamphlet was originally a booklet developed by Harold Black, a non-member, with the participation of members of the Prestonsburg, Kentucky Al-Anon group in 1953.
- The Clearing House (Al-Anon’s first World Service Office) distributed this pre-CAL version until 1961.
- In July 1961, when groups received a summary of the first World Service Conference, they also received copies of the first two pieces

designated as Conference Approved Literature: *Alcoholism, the Family Disease* (P-4) and *The Twelve Steps and Traditions* (P-17).

- The new version of *Alcoholism, the Family Disease* (P-4) was “a happy merger from the Literature Committee” that combined new material developed by the Literature Committee with the title and some sections from the Kentucky group, and additional content from the *Triple A Family Groups* booklet from Arizona.
- When first printed, the “Three Obstacles to Success in Al-Anon” was titled, “Three Enemies of Al-Anon.”
- The pamphlet was revised in 2005 to include an adult child’s story that had been removed from *Al-Anon Sharings from Adult Children* (P-47) when that pamphlet was revised.

Elect A MAIS Representative

As your group continues to adapt in 2021, please remember to **select a MAIS representative**. Each group in the Metro-Atlanta area should elect a MAIS Representative (or Alternate Group Rep) to represent their groups at MAIS business meetings where the groups share Al-Anon related information. MAIS business meetings are currently being held virtually on the second Wednesday of every odd-numbered month from 7:30 pm-9:00 pm.

MAIS Representatives:

- Act as liaisons between their groups and MAIS
- Vote on all matters of MAIS business (each group has one vote)
- Report to their groups on motions passed at MAIS meetings
- Take announcements back to their groups
- Ensure their groups have copies of the CenterPoint
- Help plan and host the MAIS anniversary celebration

See more information on serving as a MAIS Rep [here](#).

As MAIS currently serves over 200 groups we hope to have a FULL zoom room for our next meeting, **Wednesday, September 8!!**
