Noon Group AFG M-M Noon

The link for the "Virtual Noon Group" which will be held daily is <https://join.skype.com/TdCOsmPur1Pf>

Late last week, several noon group members set-up an online meeting, which is being referred to as the "Virtual Noon Group." (Many thanks - you know who you are!). This is a temporary Al-Anon meeting that adheres to the steps, traditions, concepts, anonymity and the use of conference approved literature. As a way of dealing with Galano closing, the Virtual Noon Group is being made available for all of us to join - 7 days per week - at the Skype link. Please note that while the Virtual Noon Group will be informed by Noon Group practices, it is not the Noon Group, does not replace the Noon Group and is not governed by the Noon Group group conscience. Those of us who choose to attend may need to allow for deviations from the typical Noon Group format and script due to technology, participation on any given day and unforeseeable circumstances.

It's on Skype - just set up a Skype account if you don't have one already - it's free, and it can accommodate up to 100 people.

If you would like to continue to make donations in support of the Noon Group and Galano Club during this hiatus, you can send a text to 44321, enter Noonafg into the message line and you will receive a text with a link to the payment gateway.
